

24 April 2018

Dear Paul

I would really like to thank you for your work done thus far!

The attention to detail, personal reporting and valid input is the best service I have EVER received from a training provider!

Your insight, valued input, and genuine care you show towards the EH Staff and Training goes far beyond any expectation I had!

I am so grateful to be partnered with such a fantastic team!

Thank you & Keep up the great work!

Ashley
