

Paul Collins – Customer Service Consultant & Head Training Facilitator

I just wanted to write to tell you how impressed we were with the training Paul led while here at Great Plains - Ol Donyo.

From the outset, Paul covered exactly what we needed and it really sunk in with the staff. Paul has a very personal and approachable teaching technique and really bonded well with the guys,

Thank you very much for this dynamic training intervention and we hope to organise more training in the future.

Best Regards,
Shaun
